**NHF Day to Host Multiple Activities at SHOT Show 2016**

Stop by the NHF Day booth number 2418

**LAS VEGAS, Nev. (January 16, 2016)** – National Hunting and Fishing Day (NHF Day) is hosting multiple activities at the 2016 SHOT Show in Las Vegas, Nev. Attendees are encourage to stop by the booth to meet past honorary chairs Eva Shockey, Craig Morgan and Michael Waddell.

Join NHF Day in booth 2418 Wednesday 10:00 am during Eva's meet and greet as we honor both Jim and Eva Shockey with bronze statues for their dedication to hunting, shooting and conservation.

“We have so much happening in the NHF Day booth this year,” said Misty Mitchell, Director of Conservation Programs for America’s Wildlife Museum and Aquarium. “We are excited to have many of our past honorary chairs in the booth. This is an exciting new year for NHF Day. We have many new sponsors showing their support for the organization and a great booth this year.”

Throughout the week learn how hunters are the number one conservationists; no one gives more to conservation than sportsmen and women. Attendees of the show have a great opportunity to share NHF Day with their social network by getting a photo taken with an Instagram cutout and sharing the NHF Day social media tags #1conservationist and #NHFDay.

Stop by and learn about sponsorship packages and how companies and organizations can help continue our outdoor traditions of hunting and shooting.
