

## Shopping Spree

By purchasing certain items, hunters, anglers and shooters generate \$1.75 billion each year for conservation. Circle the items that contribute to that huge sum.

**ANSWERS:** Items A and P, along with various other hunting and fishing permits, stamps and tags, are major sources of conservation funding. Items B, E, G, H, I, J, K, L, M and N are subject to special taxes that also help fund conservation. Everything should be circled except for items C, D, F, O and Q, which don't contribute to conservation funding. Learn more at [www.nhfd.org](http://www.nhfd.org).
