Dogwood Canyon Nature Park

Dogwood Canyon Nature Park is an outdoor experience like no other. Miles of streams flow through the spectacular limestone canyon, cut into the Ozark mountains and etched into the valley by centuries of crystal-clear, spring-fed running water. The pristine natural environment provides a perfect setting for all the activities this 10,000 acre Ozark's paradise has to offer. Walk or bike the canyon’s scenic paved trail, take a wildlife tram tour or fish the sparkling waters that drew the Osage here so long ago.

EXPLORE MOTHER NATURE
Dogwood Canyon offers a wide variety of activities for all ages, as well as an outdoor café, Segway tours, private guided Jeep tours and a historic chapel for weddings and special events.

WILDLIFE TRAM TOURS
Step aboard our comfortable, open air trams and explore our past and present while absorbing the scenic beauty of Dogwood Canyon on our two-hour Wildlife Tram Tour. You’ll not only see our most popular sites and waterfalls, but you’ll also cross the Arkansas border where your tram may mingle with herds of bison, elk, white tail deer and Texas longhorn. The tour even includes a stop to feed the rainbow trout. Reservations strongly recommended.

HORSEBACK RIDING
Horseback riding at Dogwood Canyon presents an opportunity to experience the park in areas not seen by the tram or from walking and biking trails. Experienced wranglers guide guests on a leisurely ride while exploring ridges, hollows, old logging roads and other scenic views. Enjoy viewing the park like the first Missourians did—from the saddle. Rides are available for multiple riding levels.

Www.DogwoodCanyon.org

CATTLE DRIVES
Head ‘em up, and move ‘em out! Saddle up for an adventure like no other and join the wranglers of Dogwood Canyon on a unique experience – an authentic Texas Longhorn Cattle Drive. Work together on the open range to herd our cattle and Texas Longhorns to greener pastures and then gather to enjoy a meal at our rustic chuckwagon site.

SEGWAYS
Modern innovation comes to the wilderness! Experience many breathtaking sites of the canyon via Segway! Beginner and advanced Segway tours are available.

TROUT FISHING
One of Dogwood Canyon’s greatest appeals is the sparkling, spring-fed water that is home to our magnificent rainbow trout. We offer half-day guided catch-and-release fishing, fly casting clinics, Orvis-endorsed multi-day fly fishing schools and “self-guided” catch-and-release or catch-and-keep fishing. From the novice to the more experienced, there’s nothing like the thrill of hooking a Rainbow Trout. Rods and tackle are available for rent.

WALKING AND BIKING
Our popular trail is self-guided and follows the canyon floor along paved, gently sloping paths. A printed guide brings your journey to life. Single-speed, coaster-brake bicycles are offered in a variety of sizes.

PRIVATE LOG CABINS
These charming, fully-furnished one, two and three bedroom units feature full kitchens, all amenities and a chance to truly “get away from it all.” Enjoy complimentary walking privileges throughout the park during your stay.

For more information call Guest Services at ext. 7107 on property or (417) 335-2777 off property.
