

PREMIER  
PROTECTION PLANS®

# TWO LEVELS OF PROTECTION

## PREMIER PRO™

- ENGINE
- LOWER UNIT
- FUEL & OIL PUMP
- POWER TRIM & TILT
- JET OUTBOARD DRIVE
- IGNITION
- TURBOJET DRIVE
- SEALS & GASKETS
- TRAILER COMPONENTS

## PREMIER PRO PLUS™

- ENGINE
- LOWER UNIT
- FUEL & OIL PUMP
- POWER TRIM & TILT
- JET OUTBOARD DRIVE
- IGNITION
- TURBOJET DRIVE
- SEALS & GASKETS
- TRAILER COMPONENTS
- STEERING
- CONTROLS
- BILGE COMPONENTS
- GAUGES
- COMPASS
- ELECTRICAL COMPONENTS
- BAITWELL OXYGENATOR COMPONENTS
- LIVEWELL
- DUAL STATION/TOWER CONTROL SET COMPONENTS
- STEREO SYSTEMS COMPONENTS
- TROLLING MOTOR COMPONENTS
- POWER/MAN. TRANSOM COMPONENTS

### CONSUMER BENEFITS

**Hoist/Liftout:** The plan will pay up to \$75 for the actual cost of hoist/liftout anytime a covered component fails due to a mechanical breakdown or failure.

**Towing:** The plan will pay up to \$100.00 for towing anytime a covered component fails due to a mechanical breakdown or failure causing the watercraft/engine to be towed either in the water or on land.

**Transfers:** Upon sale of watercraft/engine, you may transfer the contract to a new owner for a transfer fee of \$50.

**Cancellations:** You may cancel your contract at any time. A \$25 cancellation fee may apply. See your service contract for details.

NATIONAL TOLL FREE SERVICE  
**1-800-254-9755**

### PREMIER PLANS AVAILABLE

Terms Based on Eligibility

**New:**

- 5-Year Plan
- 7-Year Plan

**Used:**

- 1-Year Plan
- 2-Year Plan
- 3-Year Plan

### DEDUCTIBLE

All plans subject to a \$100 deductible. See salesperson for details.

**HUNDREDS AND HUNDREDS OF COVERED COMPONENTS TO PROTECT YOU AND YOUR INVESTMENT...**

Submit all claims, claims information and transfer requests to the address below:

Premier Protection Plans® Administrative Offices

2500 East Kearney • Springfield, Missouri 65898 • Phone: (800) 254-9755 Fax: (417) 873-4763

This document is not a contract and is intended for promotional use only. Exclusions and limitations apply. See your contract for specific terms and provisions. Premier Protection Plans® and its logos are Trademarks owned by TRACKER Marine Group, LLC. © 2009 Tracker Marine Financial Services.

PREMIER PROTECTION PLANS are a factory-backed group of products offered by Tracker Marine Group, the world's largest manufacturer of fishing and recreational boats.

MARINE GROUP<sub>sm</sub>

## PREMIER PRO™ (coverages 1-9)

- 1. ENGINE:** All internally lubricated parts including: pistons, rings, and pins; crankshaft, main bearings, connecting rods, connecting rod bearings; oil pump, reed and reed blocks; cylinder heads; flywheel. CYLINDER BLOCK IF DAMAGED ONLY BY AN INTERNALLY LUBRICATED PART (Recirculating Pump I/O only).
- 2. LOWER UNIT:** Gearcase head, bearings, oil retainers; driveshaft(s) upper bearings; shift rod, shift rod cover assembly; pinion bearing, forward gear, forward pinion; reverse gear, shift lever and dog; GEARCASE AND/OR PROPELLER SHAFT IF DAMAGED BY A COVERED INTERNALLY LUBRICATED PART (Water pump is excluded.) TRANSMISSION: Seals, gaskets, gears, clutch, bushings, mounts, and all internally lubricated parts. MID SECTION: Yoke-coupler end, yoke-gear end, cross and bearing, u-joints, coupler, bearings, gimbal bearings, gimbal housing, transom plate, gimbal ring assembly, roller bearing assembly, shims, retainers, o-rings, steering pivot bushing, steering arm bushing, steering and tilt bearing. UPPER HOUSING: All internally lubricated parts including: gears, shims, driveshaft upper bearings, roller bearing, seals, shims, drive gear, pinion gear, inner and outer pinion carrier bearings, bearing carrier and drive gear bearing. LOWER HOUSING: All internally lubricated parts including: bearings, gears, shift shaft, shims, clutch, driveshaft, roller bearing, pinion gear, prop shaft, lower and upper driveshaft bearings, retainers.
- 3. FUEL & OIL PUMP:** Fuel tank; fuel tank sending unit; fuel pump; oil injection system; oil injection metering system; injection pump; oil injection drive gear/shaft; oil injection check valve; pulse limiter & hose; oil tank; oil cap; oil level & oil flow warning sensors & control modules; oil level warning horn; oil lines (RUBBER LINES & HOSES EXCLUDED). Fuel injection; DFI and EFI components; fuel injectors; oil pump; EAP sensor; MAP sensor; TPS sensor inner & outer; crank position sensor; water temperature sensor; air temperature sensor; cylinder head temperature sensor; knock sensor; fuel pump in vapor separator; main power relay; electronic control module; coils.
- 4. POWER TRIM & TILT:** Trim sending unit; trim pump; pump relief valve; spring; O-ring; trim cylinder(s); tilt cylinder(s); manual release valve; reverse lock valve; power trim & tilt motor; relays; trim manifold.
- 5. JET OUTBOARD DRIVE:** All internally lubricated parts within pump housing. PUMP HOUSING IF DAMAGED BY AN INTERNALLY LUBRICATED PART (IMPELLER & IMPELLER LINER NOT COVERED; DAMAGE TO JET DRIVE BEARINGS CAUSED BY IMPROPER LUBRICATION IS NOT COVERED).
- 6. IGNITION:** Alternator; starter; stator, trigger, starter solenoid; relays; flywheel; voltage regulator; rectifier/regulator assembly; ignition coil(s); ignition module; switch box; power pack (EXCLUDES WIRING HARNESS).
- 7. TURBOJET DRIVE:** All internally lubricated parts within the pump housing. THE PUMP HOUSING IF DAMAGED ONLY BY AN INTERNALLY LUBRICATED PART (IMPELLER & IMPELLER LINER NOT COVERED; DAMAGE TO JET DRIVE BEARINGS CAUSED BY IMPROPER LUBRICATION IS NOT COVERED).
- 8. SEALS & GASKETS:** Seals & gaskets on all covered parts.
- 9. TRAILER COMPONENTS:** Master cylinder, hydraulic brake actuator, backing plate, axle(s) brackets, bunks, couplers, fenders, hubs, roller cradles, spring hangers, welds, winch stand and suspension springs.

## PREMIER PRO PLUS™ (coverages 1-22)

- 10. STEERING:** Steering control helm assembly; steering bracket & bushing; swivel bracket bearing; control rack & yoke assembly; power steering pump; power steering cylinder; steering wheel & coupling; steering cable.
- 11. CONTROLS:** Neutral start switch assembly; starter/stop button; throttle control handle; throttle cam & follower; throttle & shift cables; tilt/trim switch; ignition switch (EXCLUDES KEY).
- 12. BILGE COMPONENTS:** Pump, manual control panel, bilge blower and switches.
- 13. GAUGES:** Speedometer head, tachometer head, speed log, speed sensor, voltmeter, fuel gauge, fuel flow meter & transmitter, trim position gauge, oil pressure gauge, water pressure gauge, engine water temperature gauge, external water temperature gauge and temperature sensor.
- 14. COMPASS:** Compass head.
- 15. ELECTRICAL COMPONENTS:** Battery main switch, battery isolator, battery selector switch, remote spotlight (control panel, horizontal/vertical control motors and light housing), bow & marker lights, running lights, cockpit lights, cabin, manual switches, external electric fuel pump for outboard engines and windshield wiper motor (LIGHT BULBS EXCLUDED).
- 16. BAITWELL OXYGENATOR COMPONENTS:** Pump and timer.
- 17. LIVEWELL:** Washdown pump and livewell pump.
- 18. DEPTH FINDER COMPONENTS:** Depth finder/sounder unit and transducer.
- 19. DUAL STATION/TOWER CONTROL SET COMPONENTS:** Helm control, throttle/shift control box.
- 20. STEREO SYSTEMS COMPONENTS:** Factory or dealer installed audio system (SPEAKERS EXCLUDED).
- 21. ELECTRIC TROLLING MOTOR COMPONENTS:** Motor unit, wiring harness, controls and cables.
- 22. POWER/MANUAL TRANSDUCER COMPONENTS:** (motor lift): Motor sensor and control gauge.
